Mrs. Elizabeth Zimmerman

Dear Mrs. Zimmerman:

Please accept my deepest condolences on the death of your husband, Doug. I hope that many years of memories will be of some comfort in these difficult times.

This United States flag was flown over the Connecticut State Capitol on June 12, 2010, in memory of Douglas Craig Zimmerman. We are grateful for his 27 years of state service to the Department of Environmental Protection. His dedication to our environment and the agency will long be remembered.

With sympathy,

Tony Guglielmo
